

"The 70th championship was held last week in Prattville AL. Desert Trails fielded a team (best 5 of total entrants) that competed against 8 other WSGA club teams. The courses were extremely tough and conditions were arduous throughout.

Through compassion, tolerance, and a sense of self discipline Desert Trails prevailed as the overall team winner.

Congratulations to

Gayron Scurlock, June Thomas, Eugene Daniel, Les White and Ajay McClendon for bringing the trophy to Tucson".

Regards, Joe
